School transportation is provided as a courtesy to all eligible students. The District is **not** required by law to provide transportation services to all students. The school administration feels very strongly that each driver should be able to experience nothing but respectful behavior from the students.

The District's transportation rules are available on the Transportation page of our website:

<https://www.nhsd.k12.wi.us/district/Transportation.cfm> or directly at the following [link](#). If you need a copy of the transportation rules or have trouble accessing the rules, please contact the Transportation Department at 920-898-1605 ext. 3300 or email [transportation@nhsd.k12.wi.us](mailto:transportation@nhsd.k12.wi.us)

I have read and reviewed the New Holstein School District Bus Riders Rules and Expectations with my child.
